

**EXHIBIT A**

**EXHIBIT A**

	<b>Contract Change Order/Amendment</b>		State of Arizona Department of Corrections 1645 West Jefferson Street Phoenix, AZ 85007	
	Contract No.:	ADOC13-041943 / ADC No. 130051DC		
	Amendment No.:	15		Date: May 7, 2018

The Contract is hereby amended as follows:

1. ADC will extend the term of the Contract for a period of one year from July 1, 2018 to June 30, 2019.
2. Minimum Required Staffing Plan (MRSP) shall be 1,046.75 FTEs based on the attached staffing pattern for each complex/facility.
3. Staffing Paybacks/Offsets: Hours will be reported monthly by position by facility. The Regional Office staffing will be reported as one "Facility". In the event that less than one hundred percent (100%) of the required staffing hours are worked in a given month for any position, per Facility, Corizon shall credit ADC for such unfilled hours to the extent that such hours, per position, per facility, fall below the 100% threshold. Positions can be covered by staff based on the staffing replacement mix listed on attachment B. For example, if there are two (2) FTE RN's identified for a particular facility, then the calculation of the 100% threshold for the RN position at the facility will be based on the number of hours equal to two (2) FTEs for that month and the total number of fulfilled RN hours. Credit shall be at a rate equal to the average hourly wage for the position (hourly rate offset/payback) for the vacant hours.
4. Contract Sanction: There will be no cap on contract sanctions during this one year extension.

Corizon shall remain subject to the per performance measure sanction for any failed performance measure that extends the monitoring period under the rules of the *Parson v. Ryan, et al.* Stipulation.

Contract sanctions shall be incurred based upon the Graduated Sanctions Scale table below:

**Graduated Sanction Table Based on # of Measures Extending Stipulation**

# Measures	Sanction
1-9	\$ 2,500 per measure
10-19	\$ 5,000 per measure
20-29	\$ 7,500 per measure
30-39	\$ 10,000 per measure
40-49	\$ 15,000 per measure
50+	\$ 20,000 per measure

Example: 40 failed measures would be calculated as follows: (9 measures x \$2,500) + (10 measures x \$5,000) + (10 measures at \$7,500) + (10 measures x 10000) + (1 measure x 15,000) = \$22,500 + \$50,000 + \$75,000 + \$100,000 + \$15,000 = \$262,500 for 40 failed measures.

	<b>Contract Change Order/Amendment</b>		
	Contract No.: ADOC13-041943 / ADC No. 130051DC		
	Amendment No.: 15	Date: May 7, 2018	

5. **Quick Pay:** For services beginning July 1, 2018, Corizon shall invoice ADC for services that month utilizing Inmate Count of State Prisons reported on the ADC Daily Count Sheet of the June 15, 2018. The 15<sup>th</sup> of the month Inmate Count will be used as estimated ADP for the following month. Corizon shall invoice ADC no later than the 20<sup>th</sup> of the month, for the following month's payment.
6. **Hepatitis C:** The per diem includes \$5.1 Million for Hepatitis C pharmaceutical cost. Corizon shall reconcile monthly and true up on a direct cost basis for the requisite pharmaceuticals. Corizon shall provide a monthly detailed report containing date administered and cost of Hep-C pharmaceuticals for each inmate. Any material increase in this expenditure will require ADC written consent and Legislative approval for necessary funding.
7. **Payment Structure:** Pricing based on a modified Per Inmate Per Day (PIPD). The base per diem with an adjusted rate for population above or below the base population as described below rather than strict per diem pricing. Pricing is based on an inmate population of 34,074 "Base Population". "Base Per Diem" price is \$15.164 PIPD with an adjusted per diem for ADP changes above and below 34,074 will be charged at \$4.352 PIPD.

**Example 1: Average daily population above Base Population:**

Monthly ADP of 35,074 would be charged as  $(34,074 \times \$15.164) + (1,000 \times \$4.352) = \$521,050.14$  per day x number of days in month (30) = \$15,631,504.08.

**Example 2: Average daily population below Base Population:**

Monthly ADP of 33,074 would be charged as  $(34,074 \times \$15.164) - (1,000 \times \$4.352) = \$512,346.14$ , per day x number of days in month (30) = \$15,370,384.08.

8. Contract Amendment #14 will expire on June 30, 2018.
9. Additional line items have been added in ProcureAZ to reflect the new pricing.
10. A revised staffing plan (Attachment A), staffing replacement mix (Attachment B), and Fee Schedule (Attachment C) are attached hereto and incorporated herein.

Intentionally left blank
